We are ROSE!
The Rose Academies are public charter schools the Tucson community has trusted for over 20 years. We provide an alternative education setting in order to meet the unique demands of our students.

Students at the R.O.S.E.® Academies are part of a unique learning community that fosters growth in the academics so students will have the skills necessary for post-secondary success. Our curriculum includes how to learn strategies and techniques giving students control of their educational future.
